

Exploring the Safety Net for people seeking asylum

Worksheet One The Idea of a Universal safety net

1. Read the two paragraphs on this topic. These questions help you compare the two approaches.

2. Pick two of the words or phrases above to show why people might want to have a safety net.

3. Pick two of the words or phrases above to show why people might want to make it harder for people to access the safety net.

Jesus said, "Love your neighbour as yourself".

4. Write a few sentences to explain your own thinking about the level of support that Australian society, via governments, should provide to people in need, such as people who cannot find work, people with a disability or people waiting for their claim for asylum to be assessed.
